Welcome to the Reading Olympics!

During the months of March & April
Holy Spirit will be hosting a school wide reading race.
For these two months
students are asked to read
and

log their minutes on the attached sheet.
(I recommend posting the reading log on the refrigerator
or in some central location so that it doesn't get lost.)

Students may log any extracurricular reading including:
fiction or nonfiction books, graphic novels, magazines, the newspaper.

On the log students are asked to record the

- * book title
- * author
- * the minutes they have spent reading
- * a parent signature

Students will get a certificate for participating.
Each grade will have a bronze, silver and gold medal student winner.
Prizes will be given during **Children's Book Week: May 10-16**

The grade that logs the most minutes school wide will win a pizza party!

Thank you for supporting this race to spring into books!

BRONZE 1000 minutes

SILVER 1500 minutes

GOLD 1500+ minutes
