

Dear Families,

Happy New Year! What a beautiful December we shared with our students, your children. Advent, St. Nicholas Day, A Christmas Carol, concerts and the Christmas Pageant, art and decorations, prayer, Mass, and the classroom celebrations. Basketball began its season too. We thank all the staff who worked with the students, and we express gratitude to all families and volunteers who helped with any aspect of this month of special moments.

We thank Dan Murphy for the opportunity this month to have our fifth grade students give the questions on the Channel 4 TV show, Are You Smarter Than a Fifth Grader. This was a wonderful opportunity for the students and the school. Also, we are grateful to the Evangelist newspaper for the full page story in December on Holy Spirit.

In January, we take a moment to thank all school volunteers. If you watch over the children at recess, help at the library, assist with extra curricular activities, add your effort to classroom work or celebrations, work actively in PSA – the list at Holy Spirit goes on and on. That’s what makes the school a community. That distinguishes our school as vital and full of activity. It could not happen without you.

The move of state testing in English Language Arts to the spring will make January a more consistent month of instruction. Teachers appreciate the block of regularity in the months ahead, time they will use well to boost the achievement of our students. Thanks to families for making the consistency of completing homework assignments and study so much a characteristic of our school. This is so essential to students doing well. Research has proven this time and again.

We wish our Future Cities Team well this month. On January 16th, they will travel to their competition with other schools in the Capital region to present their vision of a city of the future replete with the innovations and positive characteristics that we would hope for in any environment of the years to come. Rehearsals for Alice In Wonderland begin this month. Holy Spirit School musical productions have been great – a tradition that Alice will not break.

Stay warm this winter month. Stay close to your school. You are always welcome.

Please note the prayers below written by the sixth grade science class of Krystal Wilt. We say these in the morning sometimes as a whole school.

“O Mighty God, you give us everything we need to live a long and happy life. Come and take away sin.” – Tommy M.

“O Father of the Messiah, you sent the Angel Gabriel to Mary and she learned the good news. You guided her to shelter when the inns were full. There she gave birth to the Son of Man. Come to us Lord, and fill us with the Holy Spirit.” - Brevin F.

“O Lord of Kindness, you keep me safe and keep me from sin. Teach me right from wrong, and yes from no. Teach me how to be loving, caring. Let me demonstrate kindness. Come and free us from sin.” - Jacob P.

“O Holy Lord, you do so much to me. I love you. Thank you for everything you provide for me. I know you are my Savior. Help me to show respect that you have shown for everyone.” – Danny Y.

“O Lord God, you gave us life. You kept your promises to Abraham and Noah. You give only good things. Come

and help us with our everyday needs.” – Stryker R.

“O King of Kings, you died for us and gave us life. You reached out with a loving hand of hope. Come, help us to be able to give our own hand to the hopeless.” - Christian E.

“O Lord God, you sent us Jesus, the Messiah, and sacrificed Him for our benefit. Help us sacrifice things for others.” - Jessica P.

FUTURE CITY 2009 COMPETITION

The Capital District Region Future City Competition will be held on January 16, 2009 at the **McDonough Field House at Hudson Valley Community College**. The competition starts at 8:00AM and ends when the finalists are announced about 3:00PM

Future City is a competition for middle school students to explore their creative and innovative imaginations to design a city of the future. Our students learned how to apply math, science, engineering and technology to develop a realistic future community and compete for regional prizes, including a trip to Washington, DC to compete in the National Competition. This is the sixth year that Holy Spirit School has participated in this event. Come to lend your support to our Future City Team.

Our Team Members are: **Phylliss R., Roan F., Carianna V., Sydney W., Kaitlin M.y, Cullen U., Reid L., and Brevin F.**

NURSERY/PRE-K THANK YOU

Thank you to all the Nursery and Pre-K families and to all Holy Spirit School families for their donations to our hat and mitten tree. We collected over 100 hats, gloves, mittens, scarves and socks to send to Concerns-U. What a very special Christmas – you have given to so many!

Love – Mrs. Williams
and Mrs. Farnan

SPECIAL PARKING LOT SAFETY NOTICE

When dropping off your child in the morning, please pull into a regular parking spot (in the parking lot next to the building) before allowing your child

to vacate your car. If you do not have enough time to walk your child into school, please alert them to be careful of the other cars.

Please do not drop them off in the “No Parking” area in the road in front of school. If you do not find a parking spot next to the building, please park your car in the parking lot across the street and walk your child to the school entrance.

We have been having some near accidents lately in the parking lot. If we all follow the above rules, hopefully, we can avoid an accident.
